Data Protection Notice

For information in relation to how we collect personal information about you, how we use it and how you can interact with us about it, see our Data Protection Policy at <https://www.railsbank.com/privacy-policy>. This Data Privacy Policy may be updated from time to time.

Restricted Age-Inappropriate Transactions Notice

The MYCU Debit Card will not work in certain merchants by default. This allows us to block purchases from some merchants including bars, off-licences, casinos and online gambling in order to protect children from inappropriate spending. This system works in most normal usage scenarios but it relies on merchants listing themselves appropriately. For example, a pub that serves food can classify itself as a restaurant so a young person would theoretically be able to buy alcohol there. However, as with all in-person sales of age-restricted items, the merchant has a legal responsibility to identify the person making the purchase.
